ROMANCE WITH A TWIST

February News & Musings

It's February and for all of us romance writers and readers - love is in the air!

This month I'm sending out a day earlier just in time for Valentine's Day. I hope your Valentine's Day is special. Don't forget to spoil yourself too. There's a few ideas for that below - whip up my my Valentine's cocktail, indulge in some free romance reads, or treat yourself to a bittersweet love story with a pre-order for Tangled Threads.

Tangled Threads

Pre Order Now - Coming March 4th

What if her future lies in a past she can't even remember?

Hoping to escape the losses that have plagued her life so far, Kate Moreton heads for the bright lights of London in search of the perfect man and the perfect family life she craves. But her journey takes her in directions she never expected. Within time's tangled threads lies the promise of two men, two loves, and two lives - but also the risk of losing them both forever.

'Echoes of *The Time Traveller's Wife* and *The Two Lives Of Lydia Bird* with a touch of *Outlander*'

I'm so excited to be launching Tangled Threads, the first book in the Tangled In Time series. Each of these books can be read as a standalone, and in any order, although I

promise some little Easter eggs for those who read through. Beta readers described it as "heartfelt with a nice touch of steam" and "two bitterwseet love stories in one".

Available now on Amazon at a special preorder price. It will be launched wide on numerous platforms, available in both ebook and paperback, on March 4th.

Celebrate Valentine's Day

Love is always worth celebrating!

So why not toast your relationship with a fun and flirty Valentine's Day cocktail?

I love anything with bubbles and this gorgeous cocktail combines prosecco and raspberries in a delightful fizzy creation.

Ingredients

- 150ml cranberry juice
- 1 tsp grenadine
- 50ml vodka
- handful of ice
- 1 lime wedge
- 4 raspberries
- chilled prosecco or sparkling wine, to top up

Method

- **STEP 1**
Mix the cranberry juice, grenadine and vodka together in a jug with a handful of ice. Or, do this in a cocktail shaker. Squeeze over the lime wedge and stir with a mixing spoon, or shake briefly if using a cocktail shaker.
- **STEP 2**
Strain the cocktail into two champagne glasses. Drop two raspberries into each glass, then top up with prosecco or sparkling wine to serve.

Caroline's Corner

Hello from hot and steamy Auckland!

Summer has been amazing in New Zealand this year. But this last week of punishing humidity and then a whip by the tail end of a tropical cyclone has left us all thinking winter is not so bad.

It's been a busy month for me doing final tweaks on Tangled Threads and preparing for launch. The excitement of the countdown to hitting 'Publish' is getting me through. Meanwhile I'm making steady progress on Book Two of the Tangled in Time series (working title is Tangled Loves). I've also written some bonus content for Tangled Threads so if like me you end a book wanting more, well there will be.

In between moving house and spending time with my mum (who is recovering from a bout of illness), life is crazy busy. If you follow me on Facebook or Instagram you'll see I've still found time for loads of reading, with some 5-star reads in there. I'd love to hear any recommendations you have for my 'To be Read' list. I like to keep it well topped up!
